

## Carabiner clipZ/clipZ-SC

*Where technology meets design*

### The challenge

To design a carabiner that combines high breaking strengths with a futuristic design.

### The solution

The clipZ is incredibly lightweight, yet delivers outstanding durability coupled with a unique design. The carabiner has the high breaking strengths of 25-9-9 kN.

### clipZ:

- Weight: 40 g (wire)
- Breaking strengths: 25-9-9 kN
- Gate opening: 27 mm (wire)
- Dimensions: 110 x 60 mm
- Retail price starts from 7,95 €

### Characteristics:

- Perfect handling
- High breaking strength
- Unique design
- With three different gate designs: straight, bent or wire
